

Start at the center.

If you asked a handful of your closest friends or family, what positive word would describe you? What is your strength of character? When you think of yourself, would you agree, or do you have another? For now, pick no more than two words.

Primary Quality or Qualities
1.
2.

Then the outside ring.

Persona is defined by Merriam-Webster as: *an individual's social façade or front that ... reflects the role in life the individual is playing.* What positive personas/roles/identities do you most enjoy expressing? How would you choose to show up if you had the courage to risk it all? For now, pick no more than four.
